*12 January – 12 February 2011*

THE LITTLE BLACK GALLERY, is proud to present the first UK solo show by photographer Alistair Taylor-Young, to coincide with the launch of his book **THE PHONE BOOK**.

British born Alistair Taylor-Young is a highly sought-after photographer, specialising in fashion, beauty, travel and luxury, living between New York and Paris. His enthusiasm for experimenting with light and lenses give his work a poetic feel. He is best known for creating campaigns and directing commercials for perfumes including Lancome, Dunhill, Isabella Rossellini and Pierre Cardin, and still campaigns for Fendi and Armani.

His work has been exhibited at The Little Black Gallery in several mixed shows proving to be incredibly successful with his use of vibrant colours and dreamlike images.

The exhibition coincides with the launch of Alistair's first book **THE PHONE BOOK**, which is a collection of images with scenes which he has captured on his mobile phone. *"We have been bombarded by manipulated images throughout our creative history. Here is a collection of images with scenes I have captured without tricks."*

Alistair will be doing a book signing at The Little Black Gallery on Saturday 22 January from 11.30am – 12.30pm.
