

***Spot the surfer (he's
in there somewhere)***

RIDING A giant white horse off Hawaii, a lone surfer is almost lost in super-charged white water. It was only when photographer Alistair Taylor-Young studied the shots, taken from a helicopter, that he spotted the figure at all. 'Hawaii' by Alistair Taylor-Young is showing at The Little Black Gallery from 18 May - 18 June. www.thelittleblackgallery.com
